

MANAL KAURA

Computer Science Student

Punjab +91 78095-00090 mkaura_be25@thapar.edu

EDUCATION

BE Computer Engineering expected in 06/2029
Thapar Institute of Engineering and Technology

- 8 CGPA

Class 12th: 05/2025
Peace Public School – Ludhiana
90.4% in CBSE

Class 10th: 05/2023
Peace Public School – Ludhiana
91.4% in CBSE

SKILLS

- Programming Languages: C, Python, C++, C#, AI Powered Web Development
- Current Domain: Game Development and App Development
- Data Structure and Algorithm (C++)
- Game Development using UNITY Software
- App Development using Android Studio
- Working upon Web Dev

PROJECTS

- **3D Cube Runner Game:** Developed a 3D endless runner game using Unity and C#, featuring player movement, obstacle avoidance, collision detection, increasing difficulty, and score tracking. Implemented gameplay mechanics, camera movement, object spawning, and responsive controls while optimizing the game for smooth real-time performance.
- **Smart Login Application:** Developed a Smart Login Application using Kotlin and Jetpack Compose with Material Design principles. Implemented password visibility toggle, real-time email and password validation, dynamic login button state management, and optimized keyboard input handling using Compose State. Designed a responsive and user-friendly interface by leveraging reusable UI components and modern Android development practices.
- **AI-Assisted Personal Portfolio:** Built and deployed a responsive personal portfolio using React, TypeScript, Tailwind CSS, and AI-assisted development. Utilized AI agents and iterative prompt engineering for UI design, code generation, debugging, feature integration, and deployment.

EXPERIENCE

Member, 09/2025 to 08/2026

Thapar Mathematical Society

- Coordinated content creation for society events.
- Collaborated with team members for event planning and management.
- Designed engaging content for student outreach.

Core, 09/2026 to Present

Markfin Society

- Contributed creative ideas for events and society initiatives.
- Assisted in creating engaging content and promotional material.
- Helped develop concepts to improve event engagement and presentation.
- Collaborated with team members on event planning and execution.
